The Division of Polymer Chemistry gratefully acknowledges the support of the 35 Industrial sponsors listed above. Each Company contributes \$1000 yearly to support polymer education and other polymer development activities.

The major programs which are currently supported include: the Polymer Education Newsletter (PEN), Workshops at schools to help introduce polymer education, the Undergraduate Summer Scholarship Program, the Summer Student Employment Program, the Polymer Curriculum Development Award, Tutorials and Free Short Courses on Polymer Science at National and Regional Meetings. Other programs are in the planning stage. Last years **Annual Meeting of Sponsors** featured a panel discussion on **Technology Transfer from University and Government Laboratories to Industry**. A video tape of this informative program is available free to members.

Other companies may join this important program by sending \$1000 to the treasurer, Dr. W. H. Daly, Louisiana State University, Department of Chemistry, Baton Rouge, LA 70803. Additional information may be obtained from the Division Newsletter or from the Industrial Liason Committee which monitors this program: E. J. Vandenberg, Coordinator, (602-837-9559), M. Jaffe, W. Daly, K. Wagener, J. Collette and R. Stackman.
