The Division of Polymer Chemistry gratefully acknowledges the support of the 34 Industrial sponsors listed above. Each Company contributes \$1000 yearly to support polymer education and other polymer development activities.

The major programs which are currently supported include: the Polymer Education Newsletter (PEN), Workshops at schools to help introduce polymer education, the Undergraduate Summer Scholarship Program, the Summer Student Employment Program, the Polymer Curriculum Development Award, Tutorials and Free Short Courses on Polymer Science at National and Regional Meetings. Other programs are in the planning stage. Last year's **Annual Meeting of Sponsors** featured a public panel discussion on **Polymer Recycling — the Key Issues**. A videotape of this informative program was provided free to Industrial Sponsors and can be purchased by others for \$50 per copy. The previous videotape on **Technology Transfer from Universities and Government to Industry** is also available for purchase.

Other companies may join this program by sending \$1000 to the treasurer Dr. W. H. Daly, Louisiana State University, Department of Chemistry, Baton Rouge, LA 70803. Additional information may be obtained from the Division Newsletter or from the Industrial Liaison Committee which monitors this program: E.J. Vandenberg, Coordinator (602) 837-9559, M. Jaffe, W. Daly, K. Wagener, J. Collette, R. Stackman, K. Matyjaszewski and R. Faust.
