The Division of Polymer Chemistry gratefully acknowledges the support of the **33 Industrial Sponsors** listed above. Each Company contributes \$1000 yearly to support polymer education and other polymer development activities.

The major programs which are currently supported include: the Polymer Education Newsletter (PEN), Workshops at schools to help introduce polymer education, the Undergraduate Summer Scholarship Program, the Summer Student Employment Program, the Polymer Curriculum Development Award, Tutorials and Free Short Courses on Polymer Science at National and Regional Meetings, and a new program for **Improving the Public Perception of Polymers**. The **1994 Annual Meeting of Sponsors** at the Washington ACS meeting on August 24 will feature a Minisymposium on the **Future of the National Laboratories**. Prior Annual Meetings covered: **Converting Science to Dollars(1993)**, **Polymer Industry and R&D in Eastern Europe(1992)**, **Interdisciplinary Research and Education for the Future(1991)**, **International Competiveness and Cooperation (1990)**, **Polymer Recycling-the Key Issues (1989)** and **Technology Transfer from Universities and Government to Industry (1988)**. Video tapes of these prior programs (not 92 or 93) was provided free to the **Industrial Sponsors** and can be purchased by others for \$50 per copy. Send orders to E. J. Vandenberg, 16223 Inca Ave., Fountain Hills, AZ, 85268 with check to Division of Polymer Chemistry.

Other companies may join this program by sending \$1000 to the treasurer, Dr. T. J. Pacansky, Exxon Chemical Co., P. O. Box 536, Linden, NJ 07036. Additional information may be obtained from the Division Newsletter or from E. J. Vandenberg, Industrial Sponsor Coordinator (602-837-9559).
